Keystone is now providing counselling support to military families connected with LFCA-TC Meaford.

We are a voluntary service and are pleased to offer the services of a clinical social worker and a child and youth worker dedicated to work specifically with military families. You can learn more about our services and/or initiate a referral by calling Keystone Child, Youth & Family Services directly at (519) 371-4773, stating that you are a military family. Referral forms can also be filled out through Donna Earl at the MFRC as well as by contacting Laryssa Underhill, the Operational Stress Injuries Coordinator at (519) 371-6501.

All contacts are confidential and free of charge.
