

Meaford Good Food Box

The Good Food Box (GFB) is a program to encourage healthier eating through the promotion of fresh fruits and vegetables.

Fresh fruits and vegetables are purchased in bulk at wholesale prices and the savings are passed along to participants. Choose either a \$12 or \$8 box. Purchase as many as you wish. Effective July 1st, prices will increase to \$13 or \$9.

The program is coordinated by community volunteers, who are also involved in sorting and bagging the produce and coordinating the pick up.

The next GFB will be available:
